[www.pacificcoastairmuseum.org](http://www.pacificcoastairmuseum.org)

The Pacific Coast Air Museum (PCAM) is the finest air museum in the North Bay. When you become a member, you support our educational programs and help preserve a large collection of historic aircraft and exhibits. In addition, our members enjoy sharing their love of aviation and history by volunteering their time, energy, and experience in maintaining our collection and serving as docents to help tell the story of the brave men and women our collection represents.

Yearly memberships are for the calendar year and include the following:

- Monthly newsletter, informative member meetings, and seasonal events
- Free admission to the museum and the "Wings Over Wine Country"© Air Show

Life Membership includes all of the benefits of yearly membership plus the following:

- A permanent plaque at the museum on which your name will be engraved.
- A permanent brass membership card indicating life membership and attesting to your unsurpassed commitment to the Pacific Coast Air Museum.
- Most importantly, your life membership fee will be used to further our many missions and help achieve the goal of a new air museum.

The **Pacific Coast Air Museum** is a tax-exempt, 501(c)(3) charitable organization. For further information, please call the museum at (707) 575-7900.
